Poštovani,  
po planu i programu VSS i nakon konsultacija sa Djanijem Posteljoneom predlažem sledeće ekipe za finalnu Kvalifikacionu regatu u Lucernu:

**2x SM Viktor Pivač, Aleksandar Bedjik - trener Lazo Pivač**

**1xSM Aleksandar Filipović - trener Aleksandar Smiljanić**

Nakon završene kvalifikacionu regate, treneri posada doneće odluku da li nastupaju na II Svetskom Kupu ili ne.

(u prilogu pismo Djanija P. u vezi sa odlukom o predstniku za 1xSM)

"Hi Alexander,

I understand your request, but the Board if SRF approved a document with all details on the selection of the crews participating to the Olympic Qualification.

In February Filipovic beat all Serbian opponents at the International Evaluation regatta held in Greece.

He has been the best Serbian sculler participating in the international competition.

In my opinion it is not a good solution to ask a crew to participate in a selection two weeks before the Final Qualification for the Olympic.

I suggest supporting Filipovic to make good preparation for the FOQ.

I hope "

Predlažem, na osnovu plana olimpijskih trenera, i sledeće ekipe za II Svetski Kup u Lucernu, Švajcarska

**1xSW Jovana Arsić - trener Dušan Kovačević**

**2-SM Martin Mačković, Miloš Vasić - trener Nikola Stojić**

**Fizioterapeut Marko Bundalo**
